Clavius (Joseph Fiennes), a powerful Roman military tribune, and his aide, Lucius (Tom Felton), are tasked with solving the mystery of what happened to Jesus (Cliff Curtis) in the weeks following the crucifixion, in order to disprove the rumors of a risen Messiah and prevent an uprising in Jerusalem. Families are all invited.

**DEFIBRILLATOR** - We will be installing a defibrillator and need parishioners who know how to use it. Any parishioner who already has training to use the defibrillator, please contact the parish office at 416-255-2721.

**PAPAL CHARITIES** collection is **Sunday, May 21<sup>st</sup>**.  
 "Each individual Christian and every community is called to be an instrument of God for the liberation and promotion of the poor, and for enabling them to be fully a part of society. This demands that we be docile and attentive to the cry of the poor and to come to their aid. . . . The old question always returns: 'How does God's love abide in anyone who has the world's goods, and sees a brother or sister in need and yet refuses help?'" (1 Jn 3.17)."

**MOYA FINANCIAL** invites you to join them for a Member Appreciation BBQ pig roast. Moya will supply the drinks, food, and raffle prizes. Visit them at the Main Branch parking lot (725 Brown's Line) on **Thursday, May 18<sup>th</sup>**, between 11 am and 6:30 pm for some food and a lot of fun! All welcome!

**DEVELOPMENT AND PEACE (D&P) - 50<sup>th</sup> Anniversary.** Development and Peace/Caritas Canada continues its work supporting developing communities and also focuses strongly on emergency relief work, providing humanitarian assistance for displaced people from Syria, South Sudan, the Horn of Africa, and other war-torn countries.

**Did you know** that Development and Peace responded to the call of Pope Francis in his encyclical 'Laudato Si: On the Care For Our Common Home' by launching a campaign on climate change and its impact on the poor – as a result the Canadian Government signed the 2015 Paris agreement, and thousands of Canadians pledged to reduce their Carbon footprint.

**Did you know** that when Typhoon Haiyan devastated the central Philippines, Development and Peace (D&P) raised \$12 million and is helping affected communities become more resilient and participate directly in the reconstruction process. Drawing on the expertise of its existing partners, D&P is addressing the poverty, socio-economic inequality and state of powerlessness that makes poor and marginalized communities so vulnerable to natural disasters. To find out more about the work of D&P or to become a member or donor, visit the website at <http://www.devp.org/en/get-involved>
