3RD SUNDAY OF LENT

To pray in God's temple we must pray in the peace of the Church, in the unity of the body of Christ, which is made up of many believers throughout the world. When we pray in the church our prayers are heard, because whoever prays in the community of the Church prays in spirit and in truth.

Our Lord's driving out of the temple people who were seeking their own ends, who came to the temple to buy and sell, is symbolic. For if that temple was a symbol it obviously follows that the body of Christ, the true temple of which the other was an image, has within it some who are buyers and sellers, or in other words, people who are seeking their own interests and not those of Jesus Christ.

KRIŽEV POT

V postnem času se bolj zavemo dragocenosti Jezusovega trpljenja. Ko premišljujemo njegovo pot v smrt, nam tudi naša človeška bolečina ni več tako težka. Velika opora v hoji za trpečim Gospodom nam je molitev križevega pota. Razdeljen je na štirinajst postaj. Smisel te molitve terja, da hodimo od postaje do postaje.
