Humanitarian Relief –Indonesia & Philippines Areas of the Philippines were devastated by Typhoon Mangkhut on September 15, with winds of up to 225 km/h. More than 80 people died as a result of the storm and related landslides, flash floods and destruction of homes, infrastructure and crops. The region hardest hit was Northern Luzon, one of the main islands of the Philippines. In this area the storm surged up to six metres high, submerging huge areas of inhabited land.

Days later, on September 28, an earthquake off the coast of Sulawesi island, Indonesia, caused a tsunami with waves six meters high. To date, more than 1,400 people have been confirmed dead and many, many more remain missing. Survivors are struggling to find food and drinkable water. People also need adequate shelter and medical support. The earthquake damaged roads and telecommunications systems, creating many challenges to sending assistance to the affected areas.

In an effort to support the survivors of these two significant disasters, the Archdiocese of Toronto is accepting funds that will be sent through Caritas Internationalis. In both countries, Caritas agencies have deployed workers to provide food, drinking water, temporary shelter and medical support. For contributions **please use Humanitarian relief envelopes - WRITE your name and envelope number**, by cash, or by cheque made out to **OLMM - Indonesia**. We offer our prayers for the victims of this natural disaster and those who have been displaced. Thank you for your ongoing efforts to assist those in crisis.
