WORLD MISSION SUNDAY is October 18th. Since 1922, the Pontifical Missions Societies through the Society for the Propagation of the Faith has supported the temporal needs of missions as well as creating awareness of the work of the missions throughout the world. Some examples of projects include: building churches, pastoral centers, cathedrals damaged by tsunamis and earthquakes, religious houses of formation, homes for the clergy, catechism and formation programs for lay missionaries, radio and television production, audio visual materials for remote mission areas as well as support of pastoral work in various rural dioceses.

For more information, please visit their website at: www.missionsocieties.ca.

There will be a collection for World Mission Sunday on October 18. We are called to share from our abundance with those less fortunate who lack the basic essentials to know, love and praise our God. *Thank you for your support of this important work.*

SUNDAY MASS - If your state of health allows it, we

invite you, especially those preparing for first communion and confirmation, to come regularly to

mass. Let us not deprive ourselves of the Eucharist, which is a medicine for our soul and body! As our Cardinal

Collins mentioned: Until Christ comes in glory, there is no more intense way of experiencing His presence than

receiving Him in Holy Communion. This is not "holy bread" that reminds us of Jesus. **This is Jesus,**

sacramentally present to be with us on our journey. "Jesus offered himself on Calvary in generous, unselfish

love, in the midst of evil—giving and not counting the cost"... The Eucharist completes Christian initiation.

Baptism, Confirmation, and Eucharist make us full members of the Church. This also brings with it

responsibility. Following the Commendments the Church obliges the faithful to take part in the Mass on Sundays.

Are you practicing patience and taking precautions? Or making excuses?

The restrictions on public activities and the dispensation of the obligation to attend Mass can be used as excuses for skipping. If you aren't attending Mass on Sunday, how are you spending that time? If you spend your Sundays in self-indulgence rather than prayer, that is probably a sign that you should act against your baser tendencies and go to church.

On the other hand, you might be authentically acting out of fortitude and patience. Perhaps you are motivated by a desire to free up a spot for another person to attend Mass, or maybe you work in a high-risk environment like a hospital, and you don't want to put others in danger. In these types of cases, you are offering up a sacrifice which pleases God.
