A STUDENT'S PRAYER FOR A NEW SCHOOL YEAR

Lord Jesus, I ask for Your help as I begin this new school year.

Allow me to experience Your presence in the many blessings You put before me.

Open my eyes to the new challenges and exciting opportunities that this new school year brings.

Open my heart and mind to new friends and new teachers.

Give me a generous spirit to be enthusiastic with my studies and courage to accept new opportunities.

Help me to be attentive to my teachers and let me experience Your presence in my new friends.

Jesus, inspire me to do my best this year! Amen.

NEW BEGINNINGS, is a ministry dedicated to assisting those who have suffered a loss through death. Together... we explore our *grief*, experience *healing* and renew our *faith*. **Online Bereavement Support Group**

WEBINAR: REASON, FAITH AND THE STRUGGLE FOR WESTERN CIVILIZATION

It was no accident that the Enlightenment took place in a culture formed by Judeo-Christian thought, according to Samuel Gregg, research director at the Acton Institute.

The genius of Western Civilization, Gregg says, is the understanding that faith and reason balance each other. But that balance is increasingly under attack in a society that sees faith and reason as incompatible.

All are welcome to join Samuel Gregg for the latest “Faith and Reason” virtual lecture being livestreamed from the Newman Centre Catholic Mission at the University of Toronto’s St. George Campus, happening on Thursday, Sept. 10th, from 7 to 8 p.m.

Gregg will discuss how many of the atrocities of the 20th century stem from an imbalance of faith and reason. He will also chart a path for the renewal of this relationship in our society today. **TO REGISTER:**
