NATIONAL DAY FOR TRUTH AND RECONCILIATION ON THURSDAY, SEPT. 30th.

Canadians will be observing the ongoing journey to healing and reconciliation, a particular relevance for Catholics throughout Canada given the church's involvement in operating many residential schools and recognizing the suffering and intergenerational trauma that remains for many survivors to this day. This day provides an opportunity for all Canadians to recognize and commemorate the legacy of residential schools, and commit to working for truth and reconciliation in the relationship between Indigenous and non-Indigenous peoples in Canada.

All are welcome to join Cardinal Thomas Collins for a virtual prayer service on September 30th, at 10:00 a.m. – you can access the prayer service through the St. Michael's Cathedral Basilica livestream at: <https://www.stmichaelscathedral.com/live/>. In

addition, spiritual and educational resources relating to Indigenous Healing & Reconciliation can be accessed by visiting: www.archtoronto.org/healingandreconciliation.

LIFE CHAIN is a prayerful and peaceful witness of the sanctity of human life and the evil of abortion. Participants pray and hold non-graphic signs such as "Life, the first inalienable right" and "Abortion kills children" at hundreds of locations across North America for one hour, a much needed message of love, hope, and truth. United by the Holy Spirit, we hope to touch hearts and save lives. Please join in the **Life Chain on Sunday, October 3rd from 2 to 3 pm**. Location to stand closest to us is Kipling and Queensway and be prepared to follow COVID protocols. As Our Lord asked of His disciples: "Could you not watch one hour with me?" (Mk 14:37)

"Abortion is more than a problem, it's homicide, whoever has an abortion, kills. No mincing words. Take any book on embryology for medical students. The third week after conception, all the organs are already there, even the DNA... it is a human life, this human life must be respected, this principle is so clear! To those who cannot understand, I would ask this question: Is it right to kill a human life to solve a problem? Is it right to hire a hitman to kill a human life? Scientifically, it is a human life. Is it right to take it out to solve a problem? That is why the Church is so harsh on this issue, because if it accepts this, it is as if it accepts daily murder. A Head of State told me that the demographic decline began because in those years there was such a strong law on abortion that six million abortions were performed and this left a decline in births in the society of that country" (Pope Francis).

Papež frančišek nam je jasno povedal prejšnji teden:

» **splav je več kot problem, je umor**; kdor naredi splav, ubije ... gre za človeško življenje, to življenje je treba spoštovati. To načelo je tako jasno! Tistim, ki

tega ne razumejo, bi zastavil naslednje vprašanje: Ali je prav ubiti človeško življenje, da bi rešili problem? Ali je prav najeti morilca, da ubije človeško življenje? Znanstveno je to človeško življenje. Ali je prav, da ga vzamemo ven, da bi rešili težavo? Zato se Cerkev tako močno zavzema za to vprašanje, saj če ga sprejme, je to tako, kot da bi sprejela vsakodnevni umor.«

Dragi župljani. »Če ljudi obsojaš, nimaš časa, da jih ljubiš« je dejala Mati Tereza. Vsako življenje je dragoceno, tudi vaše. Zgodi se, da se srečujemo z ženskami, pari in drugimi, ki trpijo zaradi svojih odločitev. Zavedamo se, da preteklosti ne moremo spremeniti, morda pa jih lahko pomagamo na poti žalovanja, ozdravitve notranjih ran, da bi lažje zaživel življenje. Pomagajmo in ne obsojajmo človeka!

CONFIRMATION is Sunday, Oct. 24th by Archbishop Ivan Jurkovič, present Apostolic Nuncio rep. in Ottawa.
