*Molimo za naše družine,
župnijo in druge potrebe!*

**TUESDAY - TOREK
FEBRUARY 8. FEBRUAR
6.30 pm.**

*We pray for the intentions of
our families, parish and
other special needs.*

DAN BOLNIKOV 30. svetovni dan bolnikov, bomo obhajali 11. februarja 2022, z naslovom: »**Bodite usmiljeni, kakor je usmiljen tudi vaš Oče**« (Lk 6,36). **Postaviti se na pot ljubezni poleg tistega ki trpi.**

Svetovni dan bolnikov in njegovo bližino naj zaznamuje naša večja pozornost do bolnikov in trpečih. K temu spodbujajmo tudi tiste, ki so blizu bolnikom in vsem, ki zanje skrbijo. Pozornost in hvaležnost pa pokažimo v teh dnevih tudi do vseh zaposlenih v zdravstvu in v drugih ustanovah.

BOLNIKOM IN NJIHOVIM SVOJCEM

Spoštovani verniki,

- V Kanadi ima vsak bolnik pravico, da ga v bolnišnici ali podobnem zdravstvenem zavodu obišče duhovnik. Zaradi Covida ali drugih okoliščin ni zmeraj mogoče, da pride duhovnik iz naše slovenske

župnije (bo pa takrat prišel drugi duhovnik, ki je za to imenovan).

- Bolnikom, ki so nevarno bolni ali zaradi starosti oslabei, zelo priporočamo zakrament bolniškega maziljenja. Ti bolniki so potrebni posebne božje milosti, da bi jih stiska duševno ne strla in ne bi morda celo opešali v veri. Od vsakega kristjana se danes namreč pričakuje, da bo sam prosil za ta zakrament, da ga bo v veri in pobožnosti prejel, **kadar je njegova bolezen oziroma njegovo stanje resno.**

- Bolnikom, ki sami ne morejo prositi za ta obisk, **naj pri tem pomagajo svojci ali njihovi najbližji.**

- Bolnik ali starejši lahko zakrament bolniškega maziljenja prejme vsakokrat, ko se mu bolezen ali stanje poslabšata. Tako je na podlagi starodavnega izročila ta zakrament ovrednotil in v prakso postavil drugi vatikanski koncil (B 73).

- Če je bolnik, h kateremu je duhovnik poklican, že mrtev, tedaj prosi zanj Boga, da bi mu odpustil grehe in ga usmiljeno sprejel v svoje kraljestvo. **Mrtvim ne delimo zakramenta bolniškega maziljenja.**

Dragi bratje in sestre, rad bi opozoril na pomen spoštljivega odnosa do bolnih, ostarelih in nemočnih. Bodimo hvaležni bolnikom, ki nas učijo življenja in nam pomagajo, da postajamo bolj ljudje.

Naj vas spremlja pomoč in varstvo device Marije, ki je tolažnica Kristijanov in zdravje bolnikov.

WORLD DAY OF THE SICK is Friday, Feb. 11th.

The ministry of Jesus to the sick is central to the life of the Church. Feb. 11 (Memorial of Our Lady of Lourdes) highlights the healing ministry of the Church. It reminds us that service to the sick and suffering cannot be neglected. It recognizes the great efforts of doctors, nurses, health care institutions and pastoral care givers to restore health to those afflicted with illness & disease.

What do Catholics believe about the Sacrament of Anointing of the Sick?

In solidarity with the sick, the Church believes and confesses "the life-giving presence of Christ, the physician of souls and bodies" in this "sacred anointing" (CCC: 1509; 1511). "But even the most intense prayers do not always obtain the healing of all illnesses." (CCC: 1508) The liturgical actions signify what grace the sacrament confers upon the sick: (i.) a gift of the Holy Spirit who grants fortitude and renewal of trust and faith in God especially against the temptations of the evil one; (ii.) union with Christ in His redemptive suffering and death; (iii.) the restoration of health if it is conducive to their salvation; (iv.) an ecclesial grace sanctifying the Church on earth; (v.) *sacramentum exeuntium* that completes all the holy anointings that mark the whole Christian life and prepares the final journey of those who are at the point of departing this life. The sacrament is connected to divine absolution through the Church: as administered by the priest, the anointing has effects of "the forgiveness of sins, if the sick person was not able to obtain it through the sacrament of Penance". (CCC: 1520-1523; 1532)

Is the Sacrament called the "Last Rites"?

No. The Church believes and teaches that the sacrament is not a sacrament only for those who are at the point of death but for those among the faithful, including children reaching the age of reason, who "begin to be in danger of death from sickness or old age". (CCC: 1514)

How do I arrange for the Sacrament?

Current practices at Ontario hospitals make it easily the responsibility of the patient or their families to declare the patient's religious affiliation at admissions. For the Sacrament to be arranged, it is absolutely crucial that you or your immediate family let the hospital administration (e.g., a nurse or a physician) or the hospital chaplaincy know : - that you are Roman Catholic and

- that you would like to ask for a priest especially if his immediate visit is desirable.

A Roman Catholic priest is necessary to confer the Sacrament.

Make sure your parish knows about your wish to receive the Sacrament. If you are not attending a parish currently, phone one of our many parish families to discuss your circumstance.
