SAINT VALENTINE,

officially known as Saint Valentine of Rome, is a third-century Roman saint widely celebrated on February 14 and commonly associated with "courtly love." He is the patron saint of lovers, epileptics, and beekeepers.

ST. VALENTINE PRAYER

Dearest Heavenly Father,

I want to thank you for the precious gift of love you have given to the world and to me. Thank you for blessing me every day with this love and the power and strength that I get from you every single day. Without your love for me I can't be... I can't function... I can't even breathe... because I NEED your love to sustain me. It's like food and medicine for my soul Lord. Please continue to let me feel your comforting love in my life and Lord I give myself over to you to perfect in me this gift of love...that I may be able to express it and share it with others. Lord...I have not always been good at this...forgive me. Lord...some people are harder to love than others...but I want to be like your Son Jesus...so please continue the work you are doing in my heart so my heart will be like yours. In Jesus name I pray.

SL ShareLife

SHARELIFE NABIRKA je v nedeljo, 20. februarja.

»darujete velokodušno. z velikodušnim darovanjem lahko naredimo čudodovite reči!«

Our parish's first ShareLife collection will be held on the weekend of February 20th.

More than 40 Catholic organizations and social service agencies are funded through your generous support. Without our support, the 150,000 people who are helped each year would not receive the hope and healing offered through the important work of these agencies. As Cardinal Collins recently stated, "I invite you to join today's generation of heroes by making a sacrificial gift

to ShareLife. As you contemplate the blessings God has entrusted to you, please join me in giving to ShareLife to the best of your ability."

If issuing a cheque, kindly make it to for Browns Line - OLMM ShareLife or for Marija Pomagaj - OLHC ShareLife
Please give generously. You can work wonders!

POMAGAJMO MADAGASKARJU

Lazarist Tone Kerin sporoča, da je Ciklon Batsirai v soboto z vso močjo udaril na vzhodno obalo Madagaskarja. Misijonarji s prizadetih območij poročajo o visokih vodah, ki bodo v prihodnjih dneh še naraščale. Sprožili so se plazovi, ki so za seboj

odnesli riževa polja, zato se bojijo lakote.

Denar za pomoč misijonarjem in prizadetim lahko oddate Apostolskemu krožku .

You can donate to our Slovenian Missionaries by cash or cheque to the APOSTOLIC CIRCLE (write cyclon Madagascar, your name, address, phone number on the envelope).

Testimony: The rice fields are under water, the crops will be mostly rotten or covered with sand... Rivers rise and flood all rice fields to a level of a few meters ... Farmers also depend on the food they eat when there is no rice. Under normal conditions, this is produced for three to four months of the year. The rest of the year depends on cassava and breadfruit. The drama of survival will begin in a few days. The cassava was knocked to the ground by the wind or so shaken that the roots between the stem and the tuber were broken, which means that the cassava tuber will rot in a few days. This is planted by farmers on acres to provide food for the family for at least six months of the year. Even breadfruit, whose fruits fall to the ground in the wind, is usually their food from January to mid-April. The cyclone destroyed that as well. It destroyed the people's year-round garrison in twenty-four hours. People of hunger will be waiting for help from outside organizations, because the state help will not reach us for many months.

POTRDILA za income-tax in nedeljske kuverte lahko dvignite. Hvala za vašo velikodušnost.

INCOME-TAX receipts and envelope boxes are available for pickup. Thank you for your donations. Please check that your name and address is correct. Any changes, notify the parish office.
