### **STEWARDSHIP SUNDAY**

Cardinal Thomas Collins has announced the institution of Stewardship Sunday as an annual occurrence across the entire Archdiocese on the 25<sup>th</sup> Sunday of Ordinary Time. As such, Stewardship Sunday in 2022 will be on September 18. In the traditional wisdom of the church, there is a great way of looking at stewardship, or how to live as one entrusted with the gifts that God has given to us of time, talent, and treasure, and how to use them fruitfully for the glory of God in the service of our neighbour. That is our commitment on this Stewardship Sunday, to see the needs, to judge according to the Gospel, and to use the gifts God has given to us to act effectively for the glory of God and the service of our neighbour.

### **SLOVENSKA ŠOLA**

**LIFE CHAIN** is a prayerful and peaceful witness of the sanctity of human life and the evil of abortion. Participants pray and hold non-graphic signs such as "Life, the first inalienable right" and "Abortion kills children" at hundreds of locations across North America for one hour, a much needed message of love, hope, and truth. United by the Holy Spirit, we hope to touch hearts and save lives. Please join in the:

### **Life Chain on**

**Sunday, October 2nd from 2 pm to 3 pm.**

Location to stand closest to us is **Kipling and Queensway**.

**"Abortion is more than a problem, it's homicide,** whoever has an abortion, kills. No mincing words. Take any book on embryology for medical students. The third week after conception, all the organs are already there, even the DNA... It is a human life, this human life must be respected, this principle is so clear! To those who cannot understand, I would ask this question: Is it right to kill a human life to solve a problem? Is it right to hire a hitman to kill a human life? Scientifically, it is a human life. Is it right to take it out to solve a problem? That is why the Church is so harsh on this issue, because if it accepts this, it is as if it accepts daily murder. A Head of State told me that the demographic decline began because in those years there was such a strong law on abortion that six million abortions were performed and this left a decline in births in the society of that country" (Pope Francis).

**Dragi župljani.** Umetna prekinitev nosečnosti (splav) ni navaden in enostaven medicinski postopek. Za mnoge ženske je splav prelomni trenutek s posebnimi fizičnimi, čustvenimi in duhovnimi posledicami. Mnoge ženske, ki trpijo zaradi posledic opravljenega splava, povedo, da bi bile zelo vesele, če bi pred tem poznale vsa dejstva v zvezi s splavom. Po splavu ženska nima psihološke pomoči, zavetja, objema, niti sočutja s strani tistih, ki so opravili splav. Odide iz bolnišnice z občutkom praznine in žalosti. To je pričevanje nešteti žrtev splava: ne trpi samo nerojeno dete, trpi tudi mati, oče! Vsako življenje je dragoceno, tudi vaše. Zgodi se, da se srečujemo z ženskami, pari in drugimi, ki trpijo zaradi svojih odločitev. Zavedamo se, da preteklosti ne moremo spremeniti, morda pa jih lahko pomagamo na poti žalovanja, ozdravitve notranjih ran, da bi lažje zaživel življenje. Pomagajmo in ne obsojajmo človeka! *Fr. Leopold*
