MENTAL HEALTH IN THE FAITH COMMUNITIES AWARENESS SUNDAY

On Sunday, May 7, 2023, Catholics throughout the Archdiocese are encouraged to participate in Mental Health in the Faith Communities Awareness Sunday. The special focus for this day to raise awareness in our parish communities of the importance of mental health, how we need to look after it, and how important it is to get help if we are struggling. In our faith communities, people often report experiencing

shame or stigma attached to mental health and mental health illness. Having open conversations about mental health issues, listening, and sharing information, opens doors to seeking help, and healing. So, on Sunday, May 7, 2023, let's talk about mental health and help stop the silence, stigma and shame.

CANADA HEALTH DAY May 12th is celebrated in health care facilities and community services across the country. This day reminds us that health and healing are essential aspects of our baptismal vocation. We are called to take responsibility for our personal health: to prevent illness and to seek a healthy lifestyle. Good health concerns the physical, emotional, social and spiritual health of our communities, respect for God's creatures and the nurturing of the whole earth.
